## **FOUNDATION GOLF OUTING RESULTS IN SCHOLARSHIP AWARD INCREASE**

(Kennett Square, PA) – The Ron Cameron Foundation announced on June 6, 2007 that it had increased the original Ron Cameron Memorial Scholarship award amount to its first recipient **Benjamin H. Clark** of Chadds Ford, Pa, a graduating senior from Unionville High School (UHS), Unionville, PA as the result from the proceeds of the 2<sup>nd</sup> Annual Remembering Ron Cameron Golf Outing June 6, 2007 a Loch Nairn Golf Club in Avondale, PA.

During the scholarship recognition ceremony at the outing dinner, members of the Foundation announced they were awarding Mr. Clark an additional \$4,000 to cover educational costs.

Benjamin was initially awarded a \$1,000 grant to continue his studies at the Pennsylvania College of Technology in Williamsport, PA (Penn State affiliate) in a Residential Construction Management curriculum, a commemorative plaque, and an invitation to the golf outing during the UHS Senior Awards Ceremony on May 23, 2007. The additional funds yield a \$5,000 total scholarship.

*"We were so fortunate this year to raise enough money via the Annual Remembering Ron Cameron Golf Outing due to the generosity of our numerous event partners, sponsors, contributors, donors, and 144 golfers that we felt the best way to honor Ron's memory with his Foundation's first scholarship was to send this deserving individual off to continue his education with a good head start." said Drew Cameron, 2007 Foundation Chairperson.*

The Ron Cameron Memorial Scholarship, in memory of the late Ronald W. Cameron who passed away March 20, 2006 at the age of 38, recognizes excellence, a passion for the trades and a strong work ethic. Charitable donations to the Ron Cameron Foundation and proceeds from the annual golf outing and other events are directed to The Ron Cameron Memorial Scholarship Fund. Scholarships are awarded annually to deserving students aspiring to a career in the mechanical trades or construction. Qualifying students are selected based upon criteria set by the Foundation as well as those students who best exemplify Ron's zest for life, friendship loyalty and hard work.

The mission of the Ron Cameron Foundation is to contribute pride, passion, excellence, and a zest for life to the trades by attracting motivated and enthusiastic individuals with a stellar work ethic to enhance the existing workforce and replace those lost too soon. If you are interested in contributing to the Foundation, knowing more about its mission and fundraising efforts, or applying for a scholarship visit the website [www.roncameronfoundation.org](http://www.roncameronfoundation.org).
